

Vision: A vitally connected community of cross-denominational, Church Planting Network leaders growing in relationship, celebrating wins, breaking down walls of separation.

Mission: As we forge a greater degree of leader-to-leader relating among CPN leaders (affirming each other, celebrating wins and learning together), the CP networks they lead will produce more healthy, gospel-centered congregations led by church planters flourishing in their work. Ultimately, the communities of Atlanta receive the benefit.

Our History:

*Southern Baptist, Anglican, UMC, Christian & Missionary Alliance, PCA, General Baptist, Grace Family of Churches, Assemblies of God, Fellowship Bible, West Ridge Church, Big Life, Living Way Network, The Foursquare Church, Acts 29, micro-network of simple church

“...let us consider how to stir up one another to love and good works.”

-Hebrews 10:24

Our Focus

- *We are exclusively focused on leaders of church planting networks, welcoming them into a relational learning-community with fellow CPN leaders.*
- *Our executive director is empowered to extend care and affirmation while coordinating learning community events and the annual retreat.*
- *As we care for these leaders, the church planters in their networks are better cared for and equipped to plant more healthy churches.*
- *As we invest in leaders, ultimately, those being led reap the benefit! “Everything rises and falls on leadership.” - Dr. John Maxwell*

Network Leader Stories

Prayer Strategy

- *During 2017 a prayer strategy that includes a prayer coordinator and real-time communication streams is under development.*

Ministry Board of Directors

Board of Directors

- *Travis Vaughn - executive director, Terminus Collective*
- *Bob Cargo - CP Director, Perimeter Church; director, Metro Atlanta Collective*
- *Kevin Dunlap - CP Director, West Ridge Church*
- *Dan Alger - Canon for Church Planting, Anglican Church in North America*
- *David Powers (Secretary) - GA Director, Stadia Church Planting*
- *Jon Spellman (Executive Director) - ACPA*

Human Resources

At present, the executive director is the only personnel receiving compensation, a part-time stipend. The Executive Director gives approximately one day per week to the advancement of the Alliance.

Funding Projection

	<i>Last Year Actual</i>	<i>This Year Projected</i>	<i>2018</i>	<i>2019</i>
<i>Projected Income</i>	<i>\$15,000</i>	<i>16,000</i>	<i>26,000</i>	<i>TBD</i>

- *Board of Directors will participate in funding the ACPA annual budget by any combination of the following methods: personal giving, directing portions of their organizations' annual budget or actively seeking out donors and organizations, inviting them into a partnering relationship with the ACPA. This is essentially a "give or get" responsibility.*
- *The Executive Director will meet with potential funding partners to cast vision for the ACPA, generating new major funding partners.*

Ministry Results-to-Date

- *Cross-network learning communities are being forged as a result of the deepening of relationships between CP Network Leaders.*
- *Scores of church planters in the ATL region are living in the benefits of having CP network leaders that are cared for by the ACPA.*
- *Over the last 4 years, tremendous strides have been made in leader to leader connectivity across a broad spectrum of Evangelicalism. It truly is good to see “brothers dwelling together in unity!”*
- *12 CP Network Leader marriages were strengthened at the 2016 Spring Retreat, 15 at the 2017 Spring Retreat.*

Current Needs

- *Our goal is to have an empowered executive director moving into 2018, compensated at “half time” with appropriate administrative support to continue advancing the ACPA’s mission.*
- *Based upon our early indicators of success, having an empowered, resourced executive director will exponentially accelerate our ability to deliver care to existing and future CP Network Leaders.*
